

FAQ

Does JOYSO only list ERC20 tokens?

- Yes, currently only ERC20 tokens can be listed.

How long does it take for JOYSO to review the listing candidates?

- Within 7-14 working days
- Within 7 days once the application is approved

How much do JOYSO charge for token listing?

- We do not have token listing fee but we charge a fee for technical reviews and due diligence process.

Below is the process for token listing for review on JOYSO :

1. Please provide 8,800 TUSD/GUSD/DAI/USDC/PAX/USDT for technical review and due diligence, we only accept credible stable coins.
2. Our package and details are customizable and negotiable.
3. Depends on the nature and details of each project, marketing services can be supplemented.

What does the fee cover?

- The fee covers our due diligence of the project without engaging a third party for reviews.

Does JOYSO have listing promotions/events?

- Yes, we are open for discussions.

Removal Policy

To protect our users trading on JOYSO, we reserve the right to keep or eliminate any token from our exchange, including but not limited to:

- Non-existing or dismissed project team.
- Project with major legal issues.
- Fork without notifying JOYSO in advance.
- Project team will not be solving technical or security issues after receiving a warning from the JOYSO team.
- Fraud or selectively value-relevant information communicated only within the exchange.
- Project operation team requested to remove from the exchange based on its development needs and strategic adjustment.
- Any other matters that do not meet the requirements of long-term trading.

JOYSO will give an announcement of removal 5 days in advance.
